

# Housing/ Property Management

## Level 3

### Role Profile

The housing/property management occupation is customer facing and primarily responsible for the creation and sustainment of successful tenancies in the private and social rented housing sectors. This work must comply with contractual, statutory and legal regulations and approved Codes of Practice. The work is varied and often includes addressing complex people related matters (for example supporting people to live independently) as well as property related responsibilities. The role incorporates a degree of lone working with minimum supervision whilst predominantly working within the wider organisation / team, communities and external partners. The apprenticeship prepares an individual for a range of general housing/property management duties leading to operational or specialist roles.

Within the apprenticeship training programme, you will learn the knowledge, skills and behaviors to become competent in your role, and demonstrate this at the End Point Assessment, to achieve your qualification.

### Entry Requirements

Employers will identify any relevant entry requirements through selection. Apprentices without Level 2 English and maths will need to achieve this level prior to completion of their Apprenticeship

### Duration

The duration of this apprenticeship is typically 18 to 24 months.
